Indigo Bay Catering & Events Receives Multiple Honours At Restaurant Industry Awards

Indigo Bay Catering & Events has come out on top at the 2022 Restaurant & Catering Hostplus Awards for Excellence (WA), winning two gongs on the night: Events Caterer of the Year, and Caterer of the Year.

Co-owner and Director Christian Fogliani said his team were delighted to be the recipients of two accolades, including the highly-coveted 2022 Western Australian Caterer of The Year.

"We are immensely proud of both our kitchen and service teams at Indigo Bay Catering & Events. In winning two awards – one being a key award of the evening – it shows our determination as a team to provide the best possible experience for our guests," he said. "Indigo Bay is one of our company's premium brands and we are proving we are an industry leader."

More than 60 local restaurants, cafes and catering businesses gathered to celebrate the achievements of their peers in more than 20 categories, with the winners announced at the Awards for Excellence ceremony held at the Pan Pacific.

The Awards for Excellence is a nationally recognised, independently judged awards program that celebrates exceptional service and culinary talent across the state. The Awards for Excellence are judged by an independent team of trained judges who anonymously visit the venues.

R&CA CEO Belinda Clarke said, "Indigo Bay Catering & Events should be immensely proud of this win. The past two years have been incredibly tough for the entire hospitality industry in Australia but success stories like this show how far hard work can take you."
